

# Hubley Derby Day—Rules

*Compiled by the Pomona Valley Model "A" Club*

## **THE TRACK**

- Two or Three lanes wide (each lane is 3.5" wide)
- Forty feet long race area (8' runoff)

## **CARS**

- Metal 1/20 scale models made by Hubley, Gabriel or Scale Model
- One of seven Model "A" body styles: Sedan, Station Wagon, Coupe, Roadster, Phaeton, Roadster Pickup and Victoria.
- Cars Must be stock including the original tires, wheels and axle screws. No modifications allowed, except for modified class (see below for modified class).
- Steering may be secured or loose at makers choice.
- Weight no more than 1 pound 5 ounces [21 oz.] (station wagon weight). A small amount of leeway will be allowed due to the difference in scales.
- Weights added to lighter cars must be secured, not loose in car.
- A DRY Lubricant (graphite for example) is allowed at owners choice. NO LIQUID Lubricants allowed.

## **THE CLASSES**

- Youth (16 years or under) - all original cars
- Adult - all original cars
- All ages - Modified Cars

## **THE RACE**

- After the cars are checked in, all handling and racing of the cars is done by race personnel. At the time your car is being raced, the competitor may be called up to the track, to cheer your car on.
- Cars in each class will be pitted against each other in random order to determine 1st and 2nd, etc. places.
- In the final event the two Adult class champions will be raced against each other for the "Fastest Car (Winner)".

## **MODIFIED CLASS**

- The Tires, Wheels and Axles Do Not need to be original equipment, but they can not exceed 3.4" in width.
- Chopped and channeled original bodies, modified fenders, etc. are allowed.
- Weight Limit 21 ounces.
- Car must be run by gravity only, no motors or rockets.
- NO LIQUID Lubricants allowed.
